Cool waters... Soft sands

Can you imagine an oasis in the middle of land locked Gurgaon!

Well we at M3M will present a "Marina like" water body that resembles Singapore waterfront or the 'Dubai Marina' right here in Gurgaon's sector 68!! A dream come true.

What a concept!

EXUBERANCE OF YOUTH

The joy of being young and alive is a feeling that must be experienced. A life that is sporting and joyful is what we crave for. And we at M3M want to present this 'life' to you. At The Marina you get a lushly landscaped 5.26 hectares (13 acres) project that comes with its very own waterfront enclave and state-of-the-art Marina Lake views from well appointed residences. What else can one ask for!

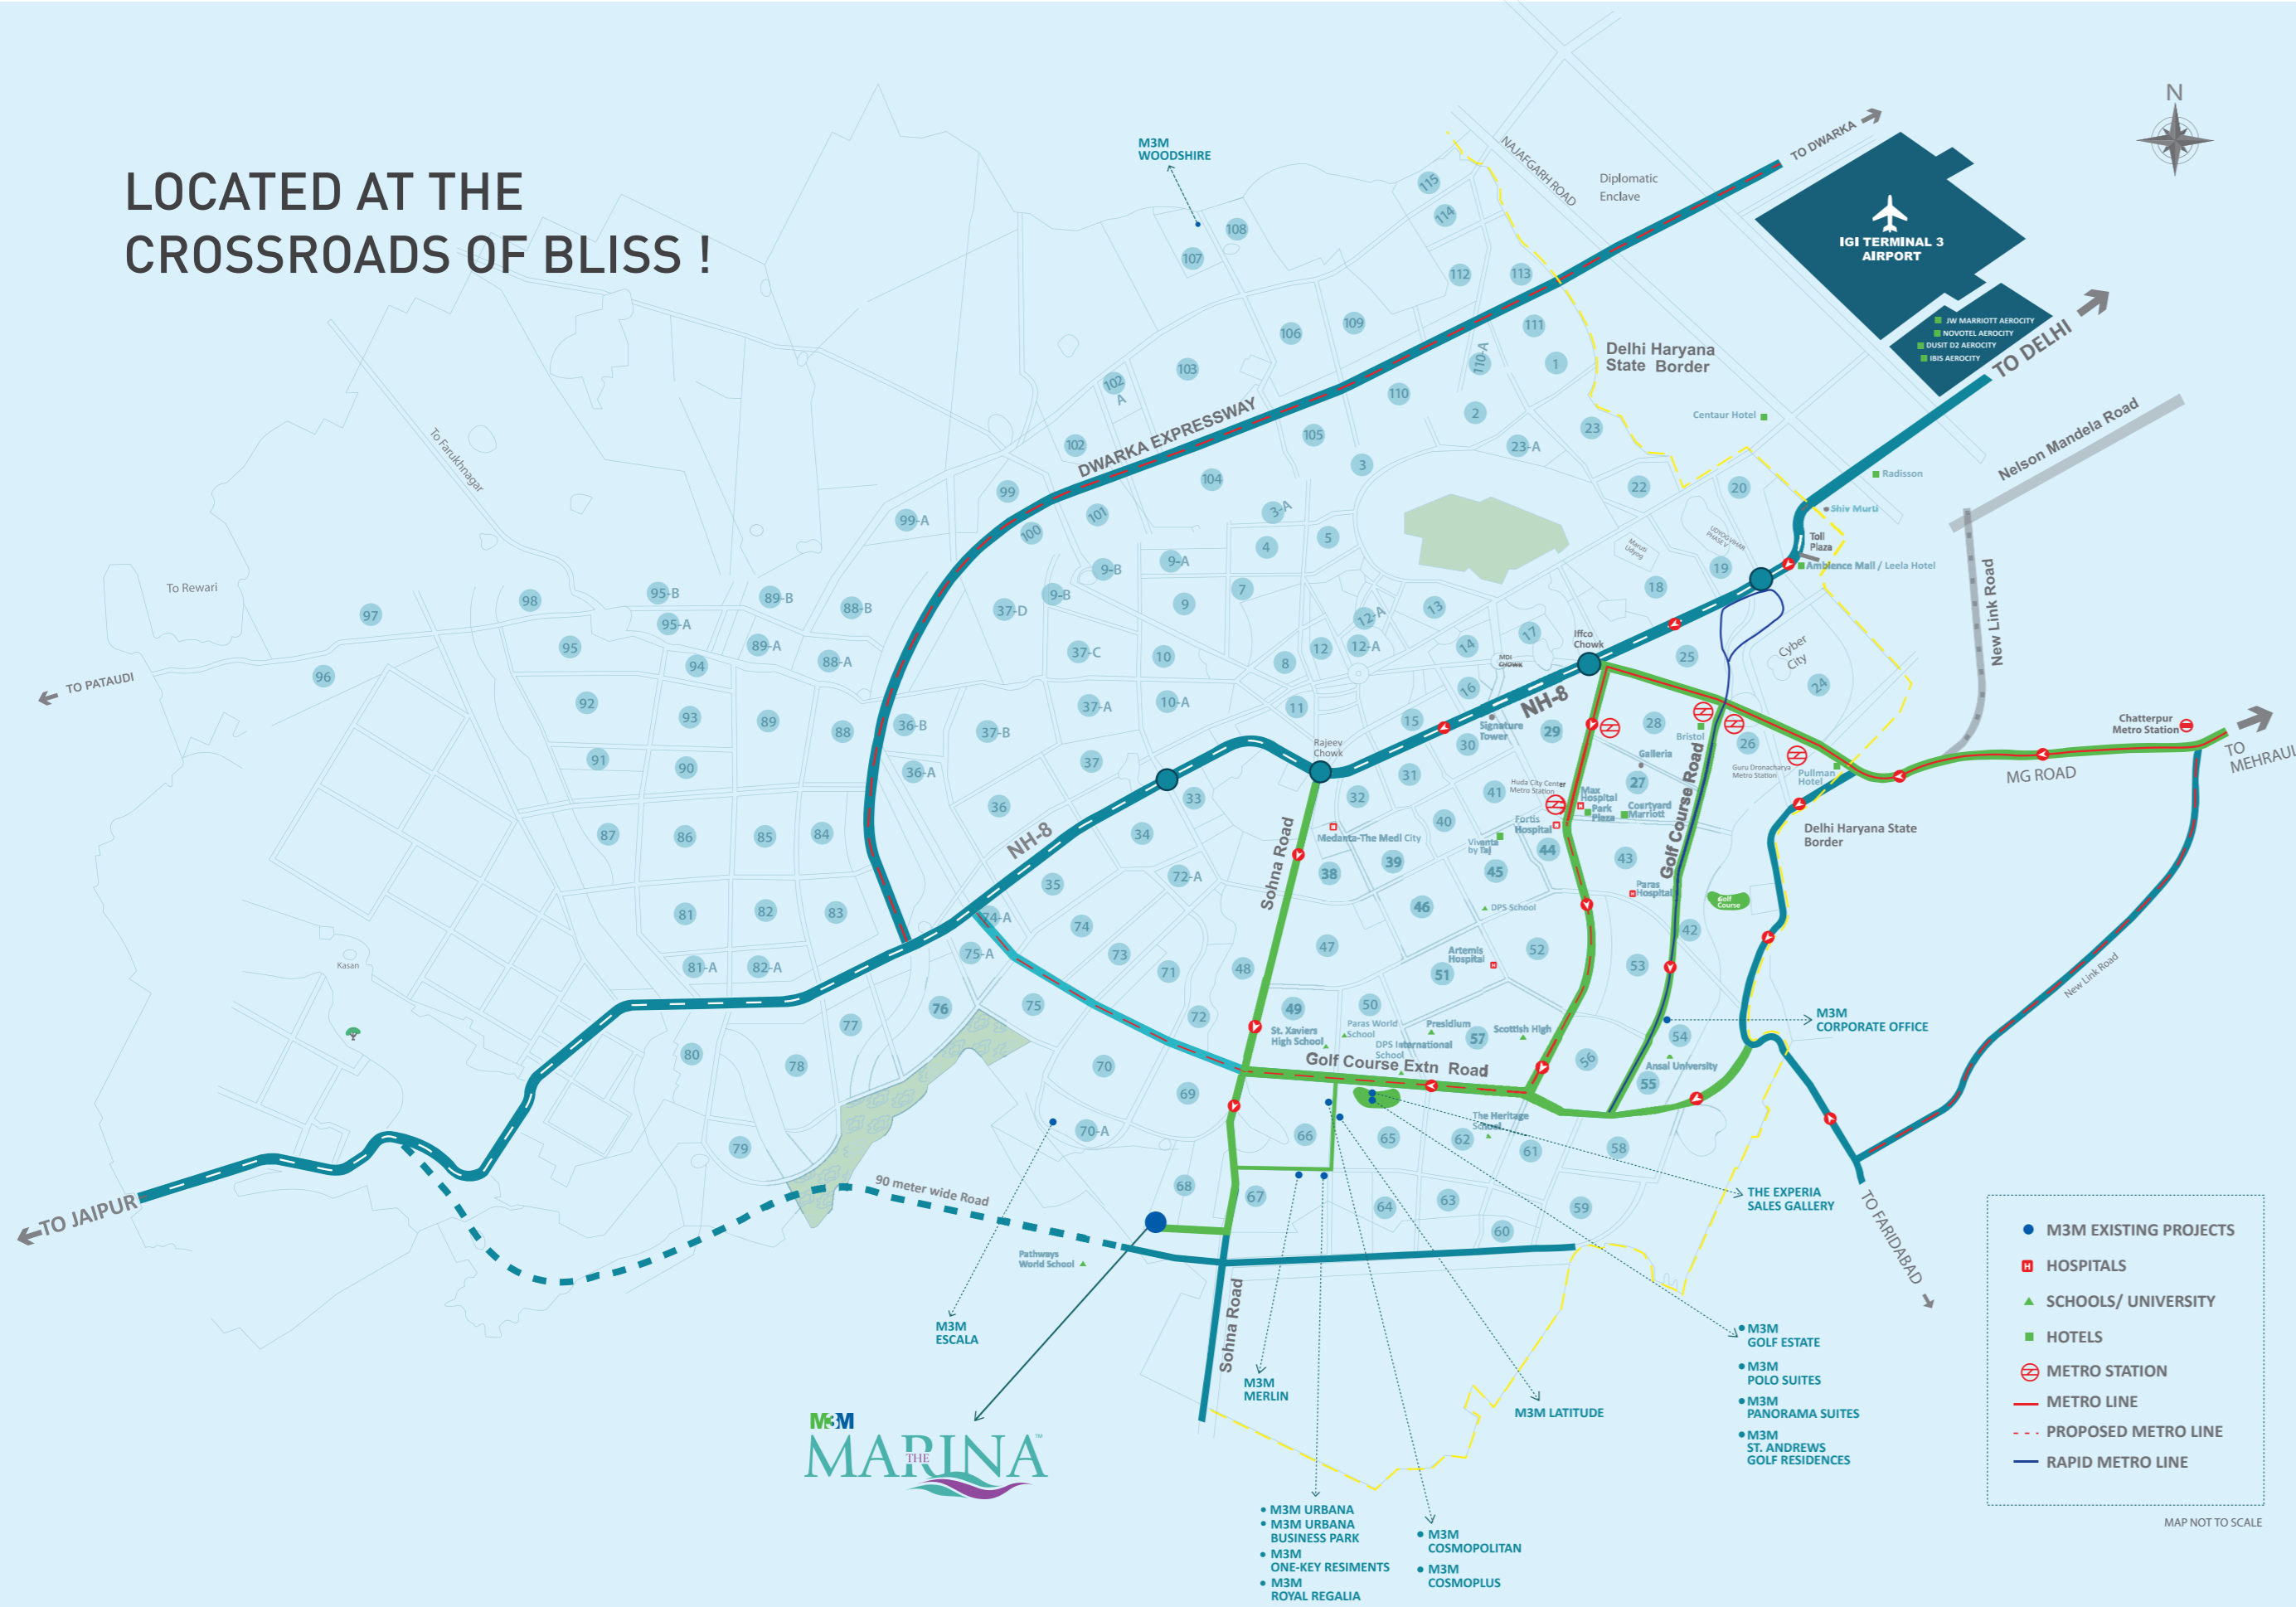

The logo for 'M&M THE MARINA' is centered within a large, abstract, organic shape that resembles a splash or a cloud. The shape is filled with a gradient of light yellow and green, and contains several smaller, semi-transparent circles of the same colors. The background of the entire left page is a vibrant, artistic depiction of a beach scene with a bright sun, turquoise water, and a sandy shore. A seashell is visible in the bottom left corner, and a starfish is in the top right corner.
